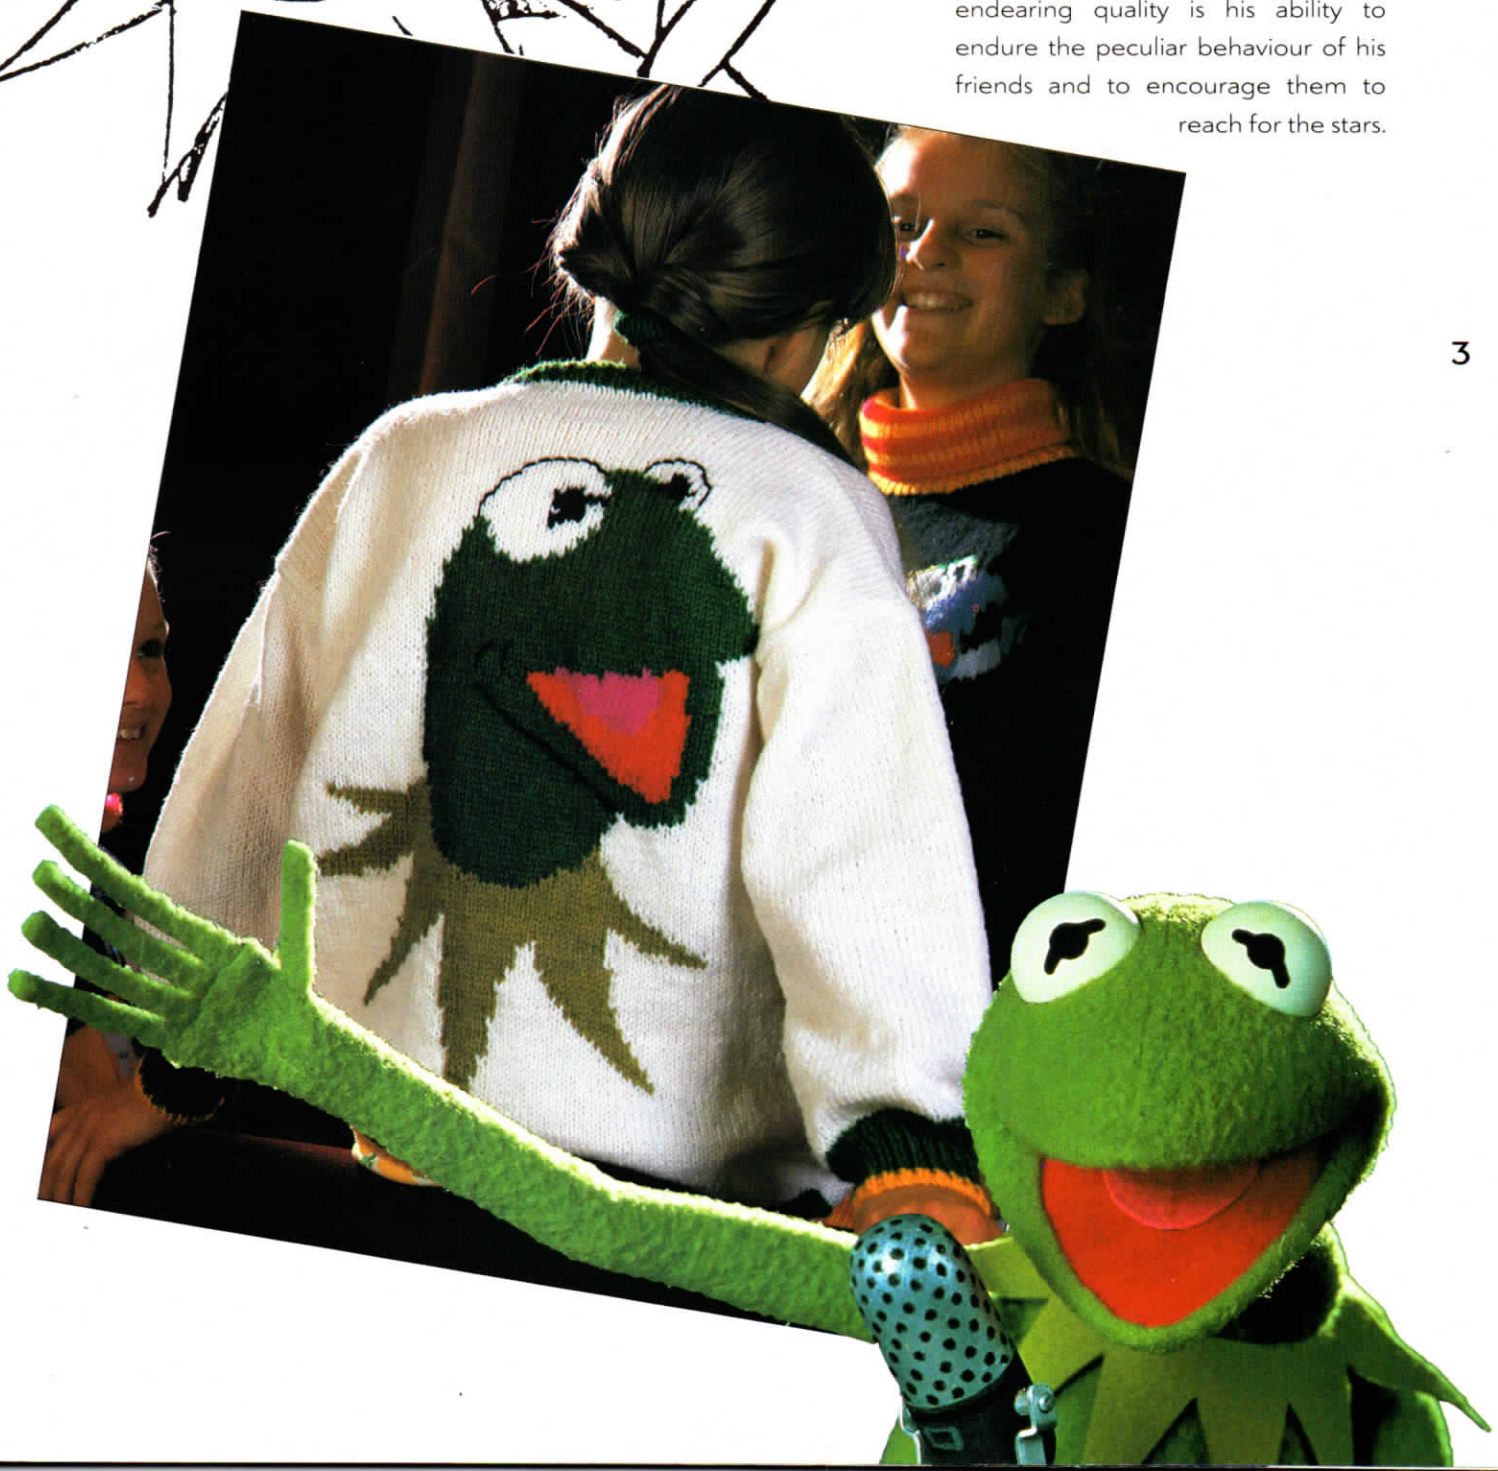
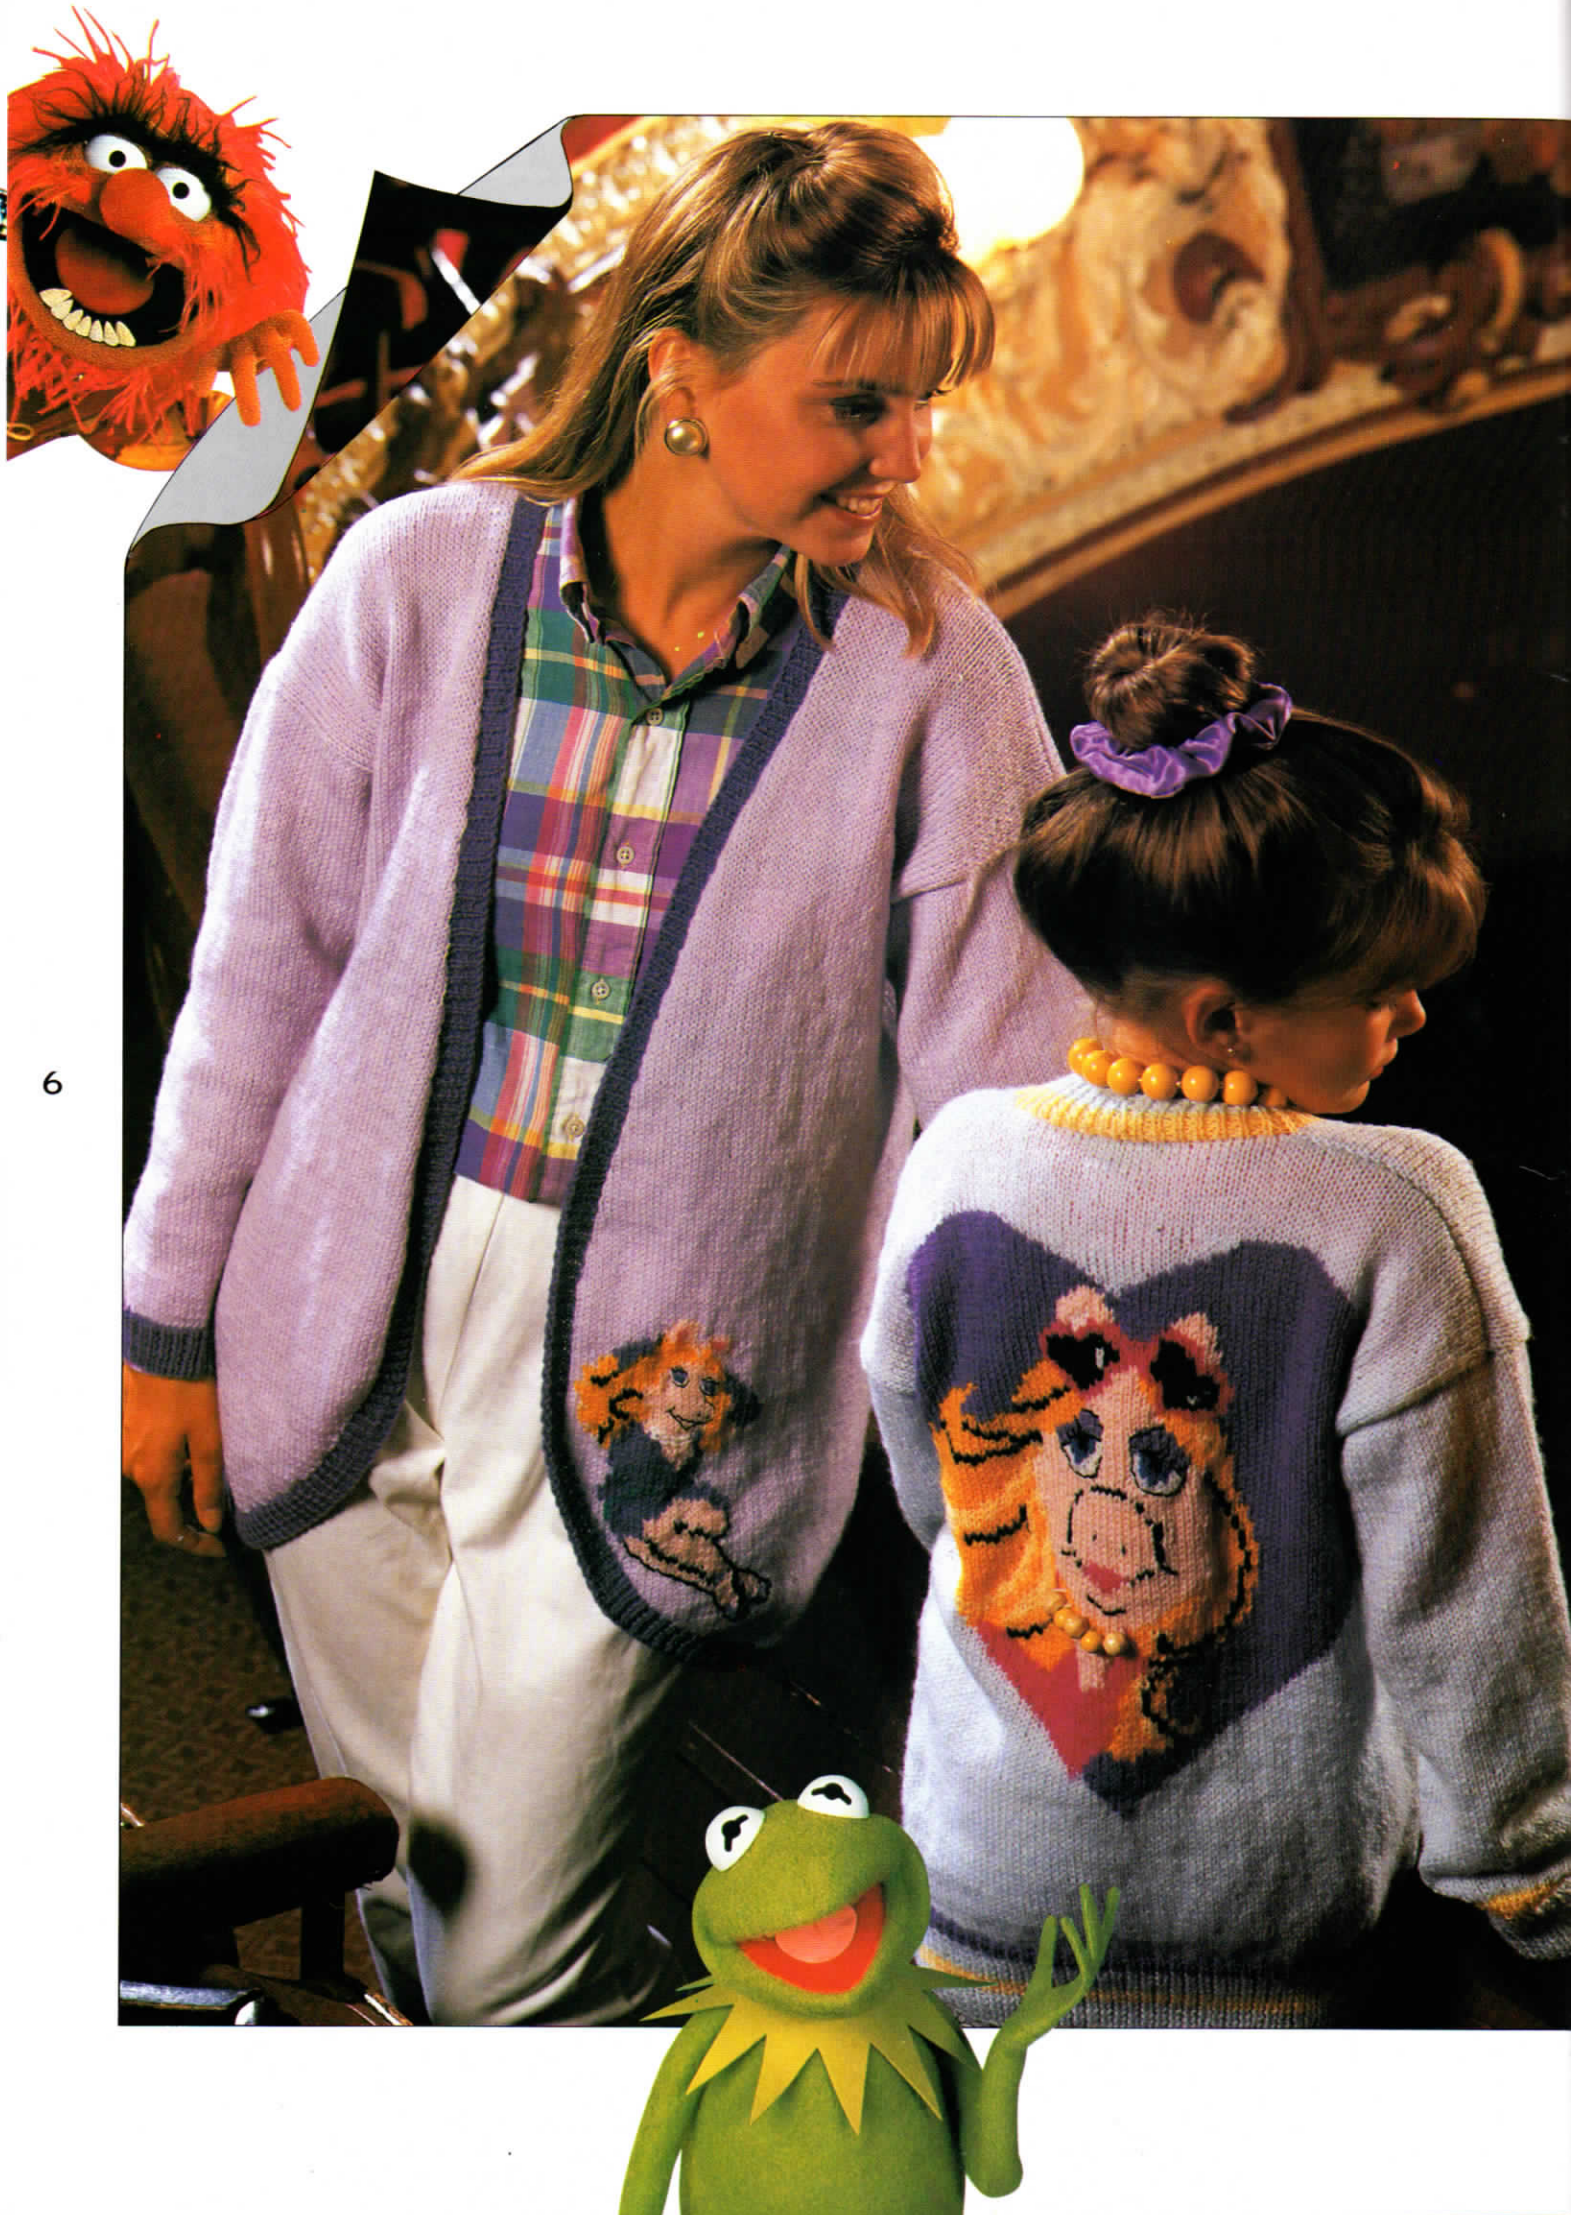
KERMIT THE FROG™

KERMIT is the leading man of the Muppets, the affable everyman who always has the audience rooting for him – and his friends – to succeed. He is the calm centre around whom all Muppet chaos takes place. As the leader of the Muppets, he attempts to keep things going in the right direction, even when no one can agree which direction that might be.

In short, Kermit is sensitive, thoughtful, decent, and all those other things we'd like to be. But his most endearing quality is his ability to endure the peculiar behaviour of his friends and to encourage them to reach for the stars.



KERMIT THE FROG™

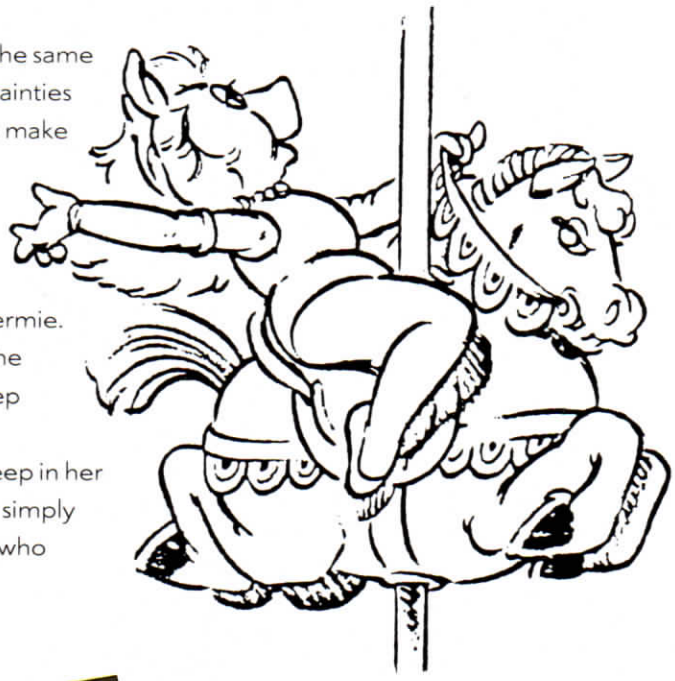


MISS PIGGY™

MISS PIGGY is the ultimate woman, the world's most famous superstar, a femme fatale, a coquette and, when need be, one very tough pig. A complex character with varied traits and talents, she can sing, dance, act, pose, and give advice. Plus, she has a powerful left hook. She fluently speaks a unique dialect of French, which mainly consists of referring to herself as "moi," you as "vous," and everything else as either "magnifique" or "le pits." Miss Piggy loves show business, glamour, her pet poodle Foo-Foo, chocolate, being recognized and, of course, herself.

Yet, underneath all this bravado, Miss Piggy is also very vulnerable. The fact that she shares the same anxieties and uncertainties we all have serves to make her a sympathetic character.

Finally, and above all else, Miss Piggy loves her dearest Kermie. Yet, no matter how he may seem to sidestep her affections, Miss Piggy knows deep in her heart that the frog is simply wild about her. And who can blame him?



General Knitting Instructions

All Designs

Instructions given for first size, larger sizes given in round brackets. Where only one figure is given this applies to all sizes.

Instructions or figures in square [ ] brackets should be repeated as given after the brackets.

Note

You may find it helpful to underline all the figures for the size you require before commencing the garment.

Important

Use ONLY the Wendy yarn specified. We cannot accept responsibility for an imperfect garment if any other brand is used. The quantities of yarn stated are based on average requirements and are therefore approximate.

Tension

If there are too many stitches to 10cm., then your tension is tight and you will need to change your needle to a larger size. If there are too few stitches to 10cm., then your tension is loose and you will need to change your needle to a smaller size.

Our Knitting Bureau will gladly give you any assistance or advice on Wendy designs if queries are accompanied by a Wendy Ballband and a stamped addressed envelope.

Please note that the limitations of the printing process mean that the actual colour will not always precisely match the colours in the photograph.

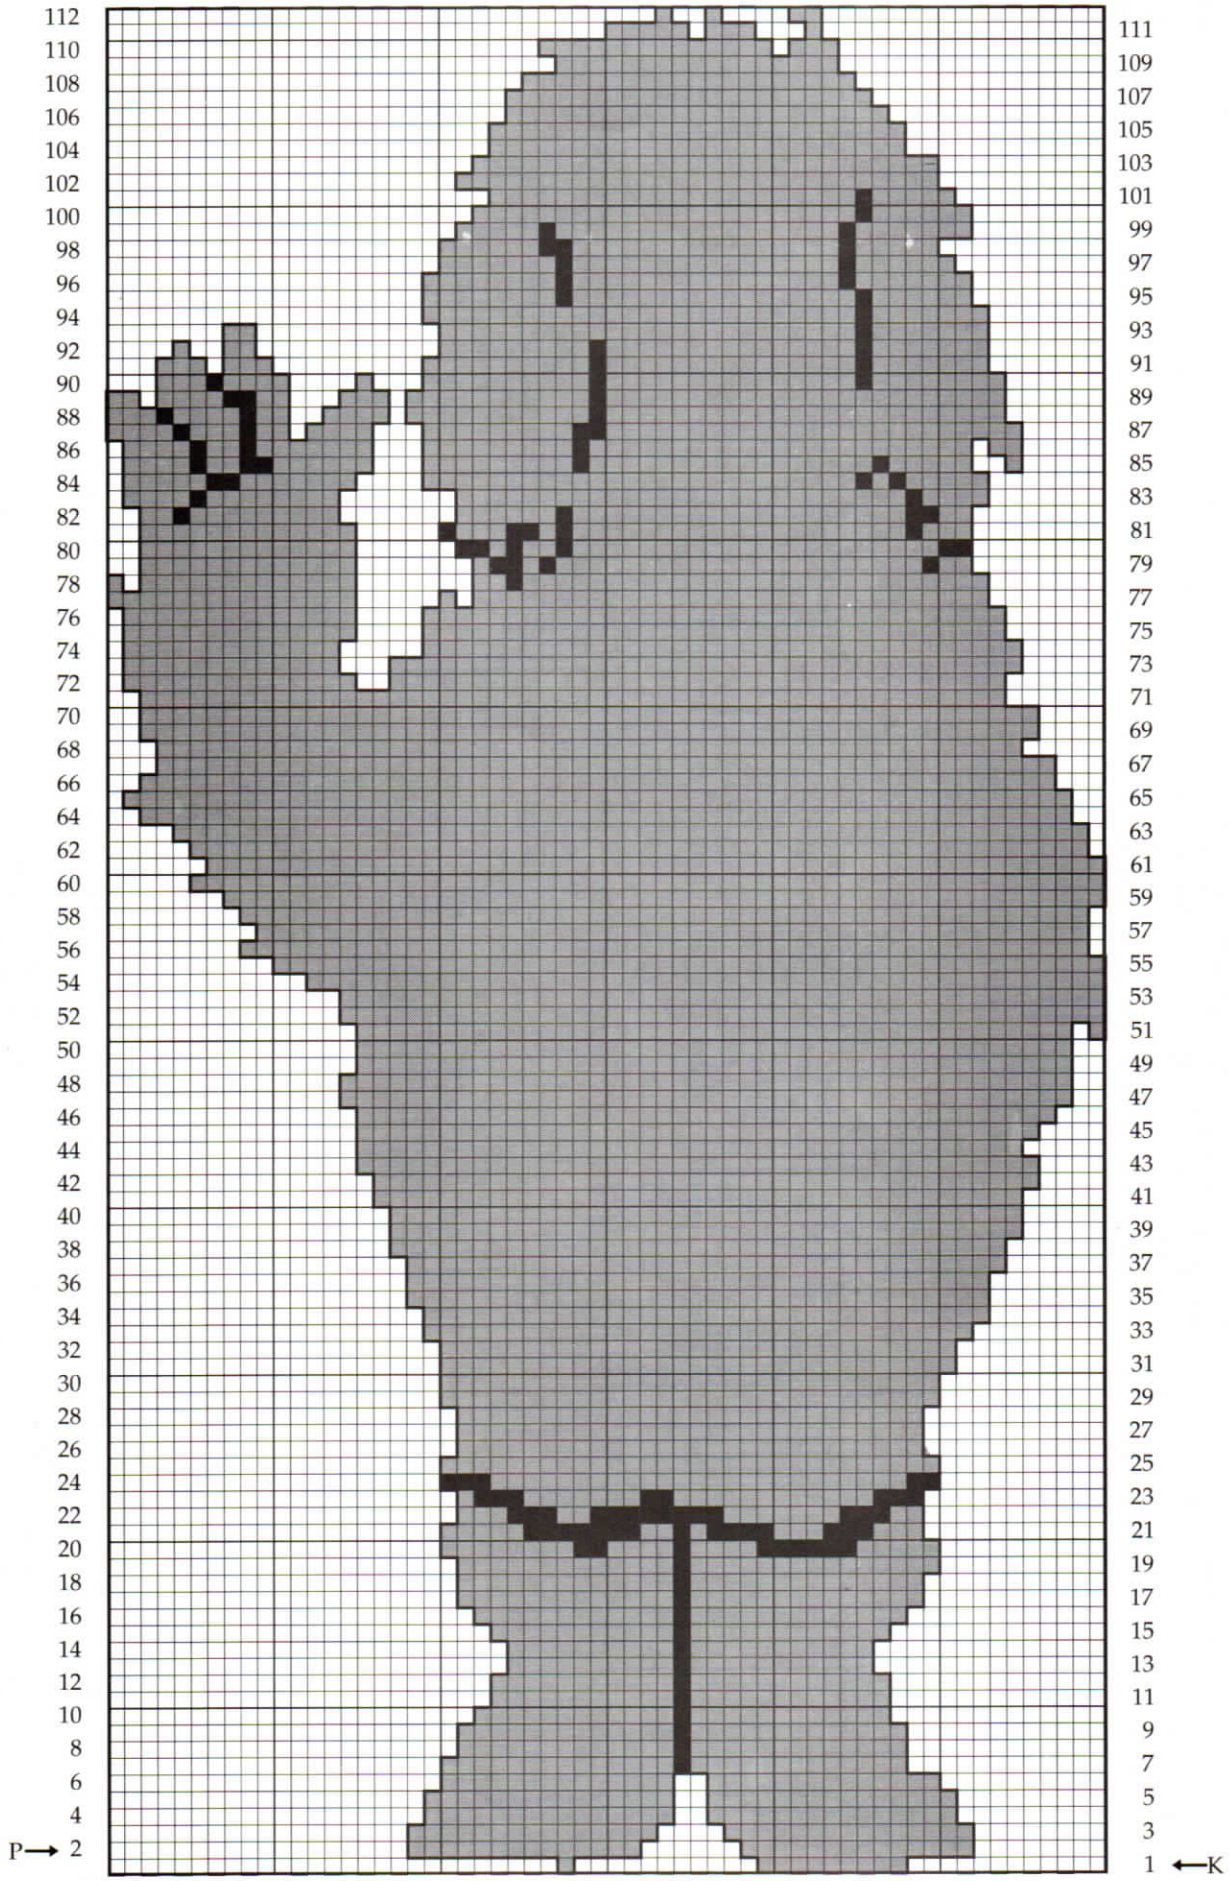
ROWLF™ CHART 3



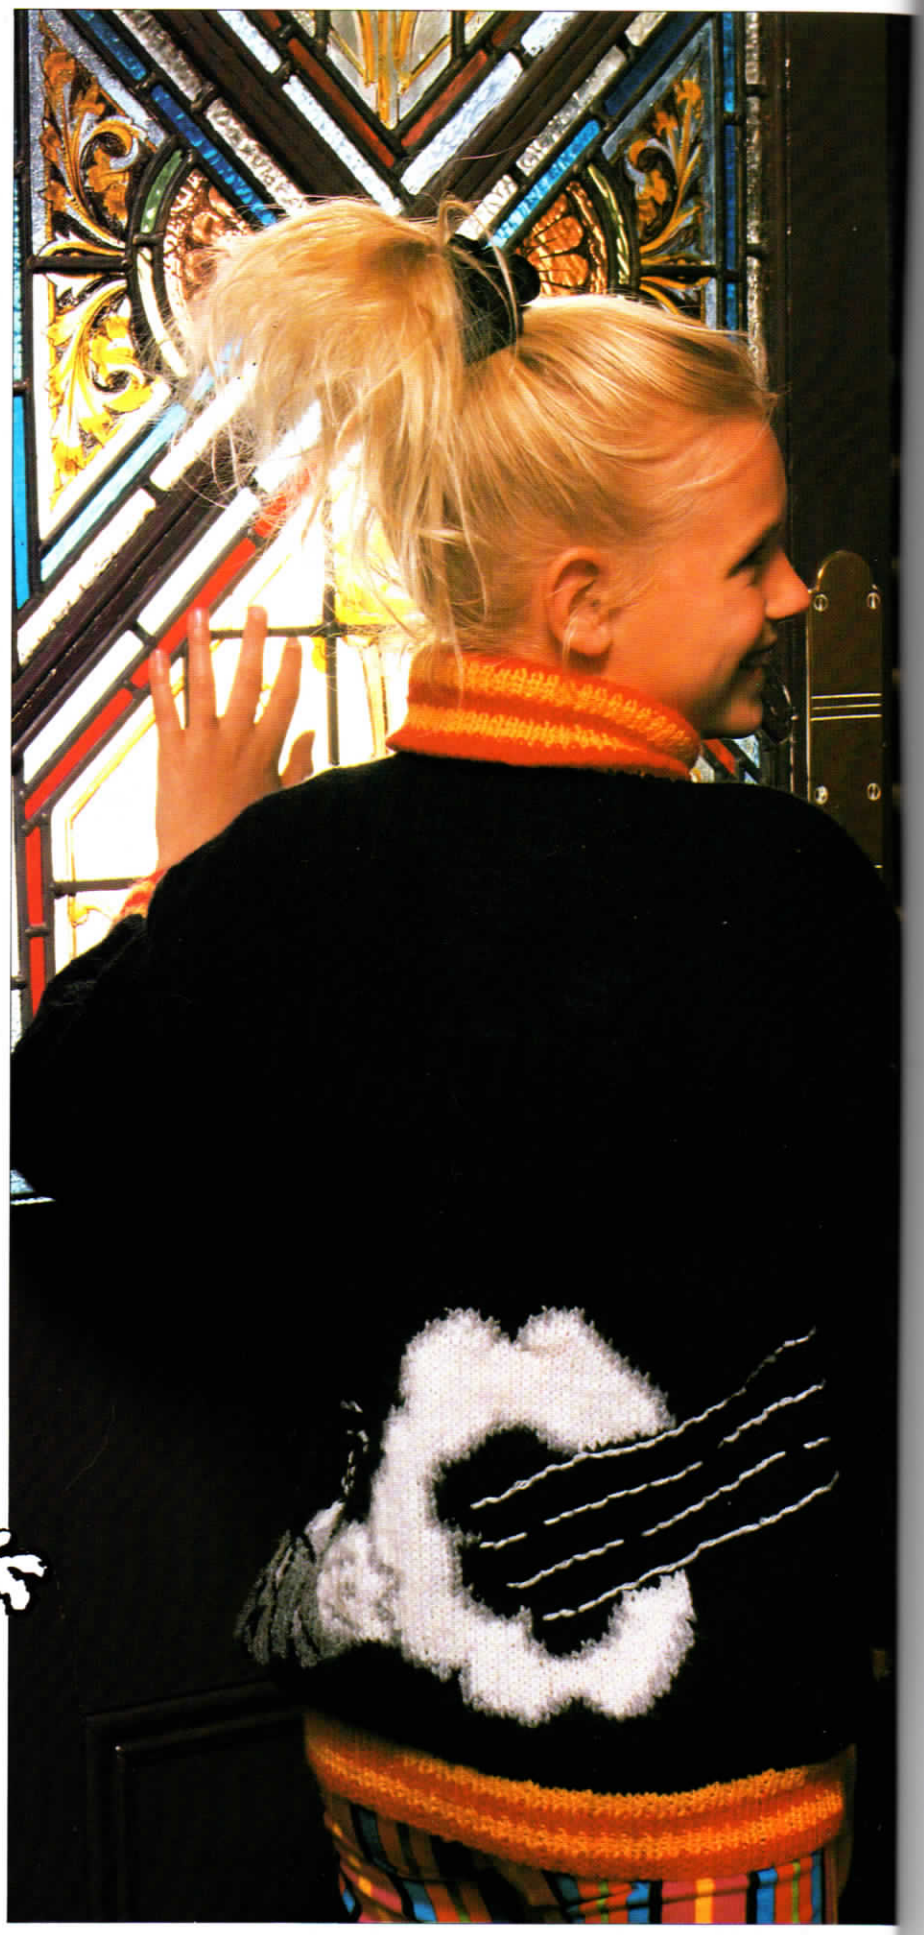
ANIMAL™

ANIMAL is wild, an uninhibited guy who wants what he wants and wants it now! His desires tend towards women, food, and music. His requests for these things usually consist of one- or two-word phrases such as "Want woman!" and "Eat now!" Yet for all his unchecked passion, Animal is an innocent spirit. His behaviour, may sometimes wreak havoc, but he never intentionally causes harm. Animal is also the drummer with Dr. Teeth™ and the Electric Mayhem Band.™ He is the quintessential rock drummer: loud, excessive, but with a big heart and a big beat you can always dance to.

GONZO™

WITH enormous enthusiasm, unsinkable optimism, and a deliriously delighted laugh, Gonzo will do almost anything to make a splash. He is forever in pursuit of the ultimate act of foolish abandon and daredevil derring-do. With grand theatrical flourish and a thorough disregard for personal safety, Gonzo will be shot from a cannon into a bowl of whipped cream, balance a piano on the tip of his nose, or tap dance in oatmeal while whistling "Dixie." And even though most of his efforts end in disaster, Gonzo is forever resilient.

Gonzo lives his entire life on the cutting edge. (For instance, Camilla, his girlfriend, is a chicken. You don't get much more cutting edge than that.) Yet, for all his bizarre behaviour Gonzo is no simple show-off. He's a sensitive character, an artist who lives life and wants you to admire his extraordinary efforts.



WEIRD
TALES

FOZZIE BEAR™

FOZZIE BEAR is the lovable stand-up comic who will tell a joke no matter how obvious, old, or dumb in hopes of being a big hit in the exciting world of the "show business." From the bright tie, the old hat, and the "Wocka-Wocka" that punctuates his punchlines to the hook that comes to pull him offstage, Fozzie is an anything-for-a-laugh comic in the vaudeville tradition (e.g., seltzer bottle, banana peel, pie-in-the-face). Despite his good intentions and well-rehearsed routines, Fozzie's act almost always backfires on him. Yet even when a joke meets with stony silence, a barrage of thrown tomatoes, or jeers from Statler™ and Waldorf,™ Fozzie Bear never gives up. This persistence only makes him more lovable. Fozzie is also Kermit's best friend and second banana. The frog is always trying to reassure this very insecure bear that everything is going to be all right. In turn, Fozzie does his best to help Kermit; although here, too, things inevitably seem to backfire.

ROWLF™

ROWLF is a piano-playing dog with a down-to-earth manner and a peculiar penchant for novelty songs and painful puns. There are definitely two sides to Rowlf: On stage, he plays high-spirited honky-tonk piano with all the stops out. In private, Rowlf is an armchair philosopher, a keen observer of life who likes to take it easy (e.g., after a day at work he'll come home, fetch himself a paper, take himself for a walk, then turn in for the night).

All in all, Rowlf is like a favourite uncle – he sings too loud and tells awful jokes, but he does it all with such glorious enthusiasm that you love him just the same.
